

Feedback

AODA – Feedback

Natus Neurology is committed to providing access to our goods and services.

Natus is also committed to accessibility in its feedback processed. If you have a question, concern or feedback please contact us using the information below. Your feedback will be reviewed. Concerns that are brought forward will be responded to in a timely manner by the Human Resources Department and the issue will be addressed in consultation with relevant members of the Natus team and the person making the request.

For more information please contact us.

Please contact us.
